BEHAVIORAL HEALTHCARE

WHO WE ARE

Based in Venice, California, Clearview Treatment Programs provides specialized care for adults (18+) with complex co-occurring disorders. We offer a safe and inclusive space — including for the LGBTQIA+ community — where clients and their families collaborate with our team to set clear goals and build individualized treatment plans. Through evidence-based therapies and compassionate support, we help each individual cultivate resilience and lasting recovery.

ONE VOICE, ONE JOURNEY

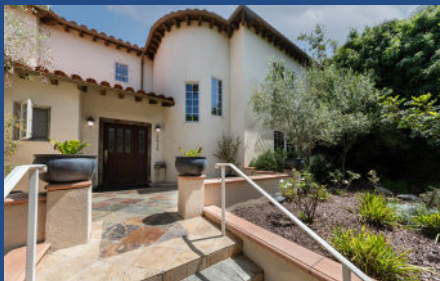

"I've never found as much love and support as I have at Clearview, and I definitely recommend this treatment to anyone who is looking for a treatment facility. They made me feel so comfortable from start to finish — they truly care about you. I love everyone there, as they've changed my life for the better!"

TREATMENT PROGRAMS

Addiction + Co-occurring Mental Health

Residential care for adults with primary addictions and co-occurring disorders, led by a dually licensed team in an inclusive setting.

Mental Health Programs

- *Specialized Women's Program* – Internationally recognized for treating borderline personality disorder and emotional dysregulation with DBT and other evidence-based modalities.
- *Gender-Inclusive Program* – Residential treatment for acute mental health diagnoses in a private, home-like environment with medical and clinical support.

Outpatient Care

Partial hospitalization (PHP) and intensive outpatient (IOP) programs for adults, offering flexible, structured treatment close to home.

HOW WE TREAT

Clearview is a national leader in comprehensive dialectical behavior therapy (DBT) and community education. Our programs integrate DBT with other evidence-based approaches tailored to each client's needs, including:

- Acceptance + commitment therapy
- Cognitive behavioral therapy
- Family programs
- Mindfulness practices
- Motivational interviewing
- Recreational therapy
- Seeking Safety
